RE: Pre-filing Credit Counseling Information

Pre-filing credit counseling must be obtained not more than 180 days prior to the date of filing of your bankruptcy petition. Accordingly, we strongly recommend that you do not complete the pre-filing course until after you have completed the bankruptcy questionnaire, obtained all required documentation, and are ready to file your case.

For your convenience, we have contracted with Abacus Credit Counseling to meet your pre-filing credit counseling requirement. You are not required to use Abacus, but their services are convenient and web-based. If you wish to choose an alternative provider, please let us know. Information on Abacus' courses is attached. Please be sure to enter our attorney code: **ACC33453** so that your information is automatically transmitted to us upon completion of your course.
